Application for a CONSTRUCTION and/or INSTALLATION CERTIFICATE

The RULES of the Association (see paragraph 15 of the Community Participation Rules section of the RULES) requires a member to be in possession of a CONSTRUCTION and/or INSTALLATION CERTIFICATE before such member may commence with construction and/or installation activities at his/her property (hereinafter referred to as the "PROJECT"). The "activities" in question relate, whether directly or indirectly, to the impact such construction and/or installation will have on the member's and the other properties on the Estate. The "impact" in question relates, whether directly or indirectly, to the visual impact as well as ensuring such construction and/or installation and by-laws applicable to fixed property in the Estate. Application is made herewith for the Association to issue a CONSTRUCTION and/or INSTALLATION CERTIFICATE for the PROJECT detailed in this application. The issuing of a the CERTIFICATE is done in the sole discretion of the Association.
